

CASTLE DOCTRINE

This directly applies to ALL "responsible" North Carolina Residents

IMMEDIATE ACTION REQUIRED!

Please don't allow the anti-gun enthusiast to block passage on the Castle Doctrine when it is finally so close!!

The Castle Doctrine is made up of the following 4 parts.

- 1.) It establishes, in law, the presumption that a criminal who forcibly enters or intrudes into your home or occupied vehicle is there to cause death or great bodily harm; therefore a person may use any manner of force, including deadly force, against that person.
- 2.) It removes the "duty to retreat" if you are attacked in any place you have a right to be. You no longer have to turn your back on a criminal and try to run when attacked. Instead, you may stand your ground and fight back, meeting force with force, including deadly force, if you reasonably believe it is necessary to prevent death or great bodily harm to yourself or others.
- 3.) It provides that persons using force authorized by law shall **NOT** be prosecuted for using such force.
- 4.) **It also prohibits criminals and their families from suing victims for injuring or killing the criminals who have attacked them.**

As it stands today a Criminal can break into your home and civilly sue you and/or your family.

With the Castle Doctrine you have a right to protect your home/family and the CRIMINALS DO NOT have any legal recourse to sue you.

IF YOU SUPPORT THIS LAW FOR CITIZENS OF NORTH CAROLINA PLEASE CONTACT THE FOLLOWING REPRESENTATIVE AND FORWARD THIS TO ALL OF YOUR FRIENDS. IT'S TIME FOR RESPONSIBLE CITIZENS TO BE IN CHARGE AND LEARN THEY ARE CONSEQUENCES FOR THEIR CHOICES IN LIFE.

[Please write to everyone you can think and ask them to write to the House Judiciary Committee to have their voice heard.](#)

Honorable Members of the House Judiciary Committee:

I strongly urge you to support HB 74: "Castle Doctrine" in its present form. Absent a presumption of reasonable fear of death or great bodily injury for victims of forcible entries into homes, vehicles, and workplaces, the bill would be worthless.

Further, I urge you to place your support behind HB 63, Firearm in Locked Motor Vehicle/Parking Lot and HB 111, Handgun Permit Valid In Parks and Restaurants. These worthy bills will allow honest voters to protect themselves from criminals. I expect you to pass HB111 as it is with NO weakening amendments.

As a concerned law abiding voter of NC, I will be monitoring this bill on an on going basis.

Respectfully,

[It's crucial to turn up the heat RIGHT NOW.](#)
